### Greetings from the wood:

We're holding a drawing for two free, autographed paperbacks of the winner's choice from our catalog:

- Ear Wurm (Dark Goddess Chronicles, book 3)

Just send us an e-mail at [contest@lostinthewoodpress.com](mailto:contest@lostinthewoodpress.com) naming the two books you'd want if you won, and you're entered to win! Winner will be selected April 15th.

### More On the Way

In other news, the next Freyjur Fantasy is well underway, focusing on the love life of Lenore--everyone's favorite Goth Princess in pink--as she and her friends set off to explore strange new worlds.

The release remains months away, but now's the time to speak up if you want to be considered for our advance reading team.

Now that we've shown ourselves and the world we're serious about this, with several high-quality books under our collective belt, we intend to get serious in working with reviewers too. That means the review copies are going to go out months in advance from now on, as they properly should.

So if you're up for a little light-hearted happily-for-now, and think getting your portal-fantasy fix months ahead of everyone else in exchange for an honest review sounds look a good deal, drop us a line [arcteam@lostinthewoodpress.com](mailto:arcteam@lostinthewoodpress.com) and say so.

And once that's one's off to the editor, we'll return to more of our signature epic-fantasy horror, packed as always with proactive women. We've got an unsettling visit to Camelot on the itinerary, then Keely and company will return to set sail on the pirate-infested waters of the Dark Goddess Chronicles.

## Do You Discord?

Want to talk fantasy horror (or most any other type of speculative fiction) with us? We're game. Leonard's set up a little semi-private Discord chat server just to do an end run around the pandemic and the too-often conversation-confounding algorithms of Facebook.

It remains invitation only--but as a subscriber to our newsletter, you're invited to invite us to invite you. Drop us a line [newsletter@lostinthewoodpress.com](mailto:newsletter@lostinthewoodpress.com) with your Discord ID.

## Fairy Tales & Fantasy in Kindle Unlimited Promotion

We are participating in a fairy tale themed promotion at on [Book Funnel](#) this month. Check it out and spread the word.

Until next time, happy reading and don't forget to wander from the path,

[Leonard and Ann Marie](#)
